It is absolutely *insane* that this post which is clearly pointing out the hypocrisy of the actions of our ruling class was investigated as fucking terrorism.

Anyone confused about whether the authorities are concerned about *your* safety or those of the ruling class should bookmark this post and refer back to it frequently.

You gotta phrase it right: "Fascist thugs appointed during the Trump administration attempted to intimidate me."

Right there with you. The rule of law is gone. We have only ourselves to rely upon.

No taxation without representation. Get out of this mentality that we have to follow the law. The law is selectively applied, and not only to the elites. Look at how antifa and BLM terrorists were released after capture over the summer.

The only way there will be justice is if we take it

I can't believe the FBI is going to investigate people for making rhetorical comparisons to government atrocities.

FBI dudes: Are you fucking stupid? Do you just hate everyone less powerful than yourself? Do you just despise us because we don't have the power that you have?

You are absolutely vile. You are the maggots that follow after the cruel injuries of the slavers.

It seems likely that certain FBI agents are personally involved in left-wing activism or are even aiding and abetting ANTIFA. The double-standard is insane.

Hi FBI, you do know that you're a domestic enemy of America, right? Why don't you go arrest all the pedos in government that are being blackmailed by Israel. Do something useful instead of investigating garage pulls and TD patriots.
